Problems Faced by the Students in Speaking the English Language:

The problems faced by students are given below:

1. Common Grammar Mistakes While Speaking the English Language:

Common grammatical mistakes mostly the students faced in speaking.

Learning English grammar is very difficult for students. In speaking the English language mostly, the students make mistakes in grammar.

Usually, the students make mistakes in tenses, active and passive, and vocabulary during speaking the English language.

They used the wrong tenses sometimes they want to speak in the past tense but they used to speak in a present tense instead of past tense.

They cannot easily differentiate between the difference and how to use the past, present and future tenses.

2. Lack of Confidence in Speaking the English Language:

Lack of confidence is also one of the reasons by which the students cannot speak the English language in public.

They are not confident about themselves to speak the English language in front of people. This is usually caused by the teachers, the teachers not giving sufficient encouragement to speak the English language in public.

Usually, the teachers didn't encourage them to speak English in the classroom or in front of people.

They learn the English language but they didn't learn how to speak it. This one of the problems that mostly the students faced in the classroom or in front of people.

Self-Confidence plays a very important role in speaking the English language if the students didn't believe and confident in themselves then they cannot speak the English language.

The self-confidence and beliefs of the students are completely depending on the teachers. The teachers have to encourage and motivate them to believe themselves and be confident in speaking the English language in public.

If the students are worried about making mistakes in speaking, So, the teachers have to teach them that no one can be born perfectly, everyone learns from their mistakes.

They have been self-confident in speaking even they are speaking wrong. They will learn from their mistakes and correct them in speaking again.

So self-confidence in speaking the English language is very important

3. Shyness in Speaking the English Language:

Shyness is also one of the biggest factors by which the students cannot speak the English language. It's a kind of feeling which students feel while in speaking the English language.

They are unwilling in front of their teachers and their friends. By shyness, they are unable to speak what they are thinking and what they want to speak.

In shyness, they are not confident of themselves to speak, they are unable to remember the grammar rules and correct vocabulary in speaking the English language.

Due to shyness, they feel uncomfortable and anxious in front of people in speaking the English language.

Teachers have to motivate the students to be self-confident, it's okay to feel awkward in front of people but they should know that they can do it and encourage them to speak the English language as much as they can.

They have to overcome their shyness and speak the English language confidently.

4. Fear of Making Mistakes When Speaking the English Language:

Fear of making mistakes in speaking the English language is also one of the big problems that usually the students faced in speaking.

Learning the English language is a means of learning how to communicate with other people in speaking the English language.

The students are afraid of making mistakes in speaking the English language that their mates laugh on them or looking silly in front of their mates, or even criticize in the classroom.

The fear of making mistakes has resulted in failure in speaking the English language with other people.

Making mistakes is a normal thing. no one born perfect, everyone makes mistakes but they should learn from their mistakes and overcome their mistakes in speaking the English language.

5. Lack of Motivation in Students in Speaking the English Language:

Lack of motivation is also one of the reasons students cannot speak the English language. Motivation plays a very important role in speaking the English language.

Motivation can be driven by the teachers, other students and also from their parents. But they didn't motivate them very well to speak the English language.

By the lack of motivation in speaking the English language then they didn't take interest in speaking the English language.

5. Nervous Speaking the English Language in Public:

Nervousness and anxiety are also one of the reasons behind the students who cannot speak the English language in public or in Infront of people.

By nervousness, the students feel uncomfortable and confuse in speaking the English language and communicating in the English language in public.

The students should learn how to overcome their nervousness of speaking in public. There are a few things students to keep in mind when they feel nervousness in speaking the English language

When students feel nervous in speaking the English language in public, they have to breathe properly, stay calm and remember the reason why they learn the English language, it helps the students to relax and confident to speak.

Conclusion:

The problems and reasons by which the students cannot speak the English language even after more than 16 years of learning as I discussed above. The teachers have to focus on these problems and try to resolve it.

That their students can speak English fluently.

The teachers have to make the environments that the students can feel comfortable in speaking the English language and asking questions.

Learning the English language is the process of speaking the English language with other people and in the public fluently.

The teachers have to focus on oral communication in learning the English language instead of learning from books and exercises.

Through oral communication, students can easily learn and can easily communicate and feel comfortable speaking with other peoples.
